## Thought for the Week:

When once men recognize, both in private and in public life, that Christ is King, society will at last receive the great blessings of real liberty, well-ordered discipline, peace and harmony.

Quas Primas Encyclical of Pope Pius XI December 11, 1925

## Reflection of the Gospel

That is the calling of Christians, that is our apostolic task, the desire which should consume our soul: to make this kingdom of Christ a reality, to eliminate hatred and cruelty, to spread throughout the earth the strong and soothing balm of love. Let us ask our King today to make us collaborate, humbly and fervently, in the divine task of mending what is broken, of saving what is lost, of fixing what man has put out of order, of bringing to his destination whoever has gone off the right road, of reconstructing the harmony of all created things.

Saint Josemaria Escrivà
