Reflection

God is real. It seems obvious for us despite the fact that we still have to proclaimed it. We know his name. We use his name. We call his name. However, in our Gospel for our first Sunday of Lent, there is another truth as important as the truth about God. And this truth is that the devil is real. In our world today, so many people even Catholics believe in the devil but not in his actions. He is a kind of guy preventing us to do something. The devil is real and he is working.... hard, very hard to take us out of the Church, out of the confessional! out of our commitment in our marriage and vocations, out of our decision to find the meaning of our lives. We can't be friend with him since he will never be friend of us. We can't listen to him since he will never help us. When we blame God for all the sufferings of the world, when we point at God making God responsible for the death of a child, is it God or the devil who brought suffering and death into this world? The devil does not want us to experience that God is love. That is why we fight during these 40 days like Jesus, fight against ourselves since it is within us that takes place the most important battle.

New

❖ PARISH RETREAT FOR EVERYBODY; An Evangelization session will be given for our Zone meeting in Alberton starting on Sunday March 03, Monday 04, Tuesday 05, Wednesday 04 at 7:00 pm at the Church. A lay minister wrote after the mission: "Anyone who attends a SOE –School of

Evangelization -is powerfully equipped to evangelize, both practically and spiritually. Seeing the fruit that has come from our first SOE, my present pastor, Fr Paul has asked to have them come back a second time." Evangelization is the way to renew ourselves and our parish, to give us and our future generation the strength to live the beautiful message of joy and hope coming from the cross
