## 13<sup>th</sup> Sunday in Ordinary Time

Part of today's reading is about the radical demands of discipleship. The three people who volunteer to become disciples on this journey show that they do not understand the demands Jesus will make of them. Neither care of self, care for the dead, nor care of one's family (as required by the Fourth Commandment) can come before the demands of discipleship. Jesus reminds the first volunteer, who would go wherever Jesus goes, that animals in the wild have more security than do Jesus and his followers. The second, who wants to bury a parent, is reminded that the demands of proclaiming the Kingdom of God take precedence. And the third, who wants to say farewell to his family, is reminded that once you put your hand to the plow you cannot look back or the furrow will be crooked. Such a person is not ready for the Kingdom of God.
