**Reflection**

*Christ is Risen*

May the jubilant voice of the Church reach all of you with the words which the ancient hymn puts on the lips of Mary Magdalene, the first to encounter the risen Jesus on Easter morning. She ran to the other disciples and breathlessly announced: "I have seen the Lord!" (Jn 20:18). We too, who have journeyed through the desert of Lent and the sorrowful days of the Passion, today raise the cry of victory: "He has risen! He has truly risen!"

Dear brothers and sisters! If Jesus is risen, then – and only then – has something truly new happened, something that changes the state of humanity and the world. Then he, Jesus, is someone in whom we can put absolute trust; we can put our trust not only in his message but in Jesus himself, for the Risen One does not belong to the past, but is present today, alive. Christ is hope and comfort in a particular way for those Christian communities suffering most for their faith on account of discrimination and persecution. And he is present as a force of hope through his Church, which is close to all human situations of suffering and injustice.
