Reflection

Christ founded his Church, the new kingdom of God on the Apostles, who were Jews, and through their noble sacrifices and efforts, the kingdom spread to all the Gentile nations of the earth. Because of their sacrifices, we are Christians, members of Christ's kingdom on earth and heirs to his eternal kingdom in heaven. Through our Christian teaching we have learned that our life on this earth is but a period of preparation, a period during which we can earn the true life as citizens of his eternal kingdom. How often do we, like the Jews of Christ's day, forget this and bend all our efforts to building for ourselves a kingdom of power or wealth in this world, a kingdom which we will have to leave so soon?
