Thought for the Week:

O God,

you send your light to those in gloom through your beloved Son,

a gift to all the world's peoples.

Continue to bless us, even

when violent Herod lives on,

when we avoid risk,

and fear a journey like the Magi's.

Act through us to bring

light to a dark world, and teach us your broad, welcoming inclusiveness for all your daughters and sons.

Reflection

Epiphany is Greek for "to manifest" or "to show ". The Feast of the Epiphany marks the first manifestation of the birth of Christ to the Gentiles. The Three Kings – Melchor, Gaspar, and Balthazar — had come from the East in search of the Christ child. Church.

The Three Kings, also known as the Magi or the Wise Men, brought with them gifts of gold, frankincense, and myrrh – gold signifying that Jesus is King; frankincense, the symbol of prayer, signifying that Jesus is the Son of God, and myrrh, which is used to anoint the dead, signifying that Jesus would die for the salvation of all.

"If the Magi had come in search of an earthly King, they would have been disconcerted at finding that they had taken the trouble to come such a long way for nothing. Consequently they would have neither adored nor offered gifts. But since they sought a heavenly King, though they found in Him no signs of royal pre-eminence, yet, content with the testimony of the star alone, they adored: for they saw a man, and they acknowledged a God." that I have received during this Christmas Season. That gave me a lot of joy. There are things that can be done only in communion with parishioner through their prayers. I also want to thank the helpers who came to make the Church a special place of encounter with the Lord either through their ideas and talents musical and others. A special Thank to the choir who worked together. Unity is a sign of the presence of Christ. Thank you very much and May God continue to bless our community during this New Year. Fr Jac

V) A Prayer Request for the Iraqi Refugee Families: As you are aware a violent civil war has been unleashed in Syria. Unfortunately, our Iraqi families remain entrapped in refugee camps in Damascus. During this Christmas season we ask that you remember them. Please lift them up in your prayer, asking for God's protection. Their situation is clearly desperate...may ou collective prayers provide them with a sense of security peace and hope. Thank you.
