Reflection

On The Assumption of Our Lady

But now let us ask ourselves: how does the Assumption of Mary help our journey? The first answer is: in the Assumption we see that in God there is room for man, God himself is the house with many rooms of which Jesus speaks (cf. Jn 14:2); God is man's home, in God there is God's space. And Mary, by uniting herself, united to God, does not distance herself from us. She does not go to an unknown galaxy, but whoever approaches God comes closer, for God is close to us all; and Mary, united to God, shares in the presence of God, is so close to us, to each one of us.

There is a beautiful passage from St Gregory the Great on St Benedict that we can apply to Mary too. St Gregory the Great says that the heart of St Benedict expanded so much that all creation could enter it. This is even truer of Mary: Mary, totally united to God, has a heart so big that all creation can enter this heart, and the ex-votos in every part of the earth show it. Mary is close, she can hear us, she can help us, she is close to everyone of us. In God there is room for man and God is close, and Mary, united to God, is very close; she has a heart as great as the heart of God. From Pope Emerite Benedict XVI

Fisherman's Prayer

*God grant that I may live to fish,
until my dying day,
And when it comes to my last cast,
I then most humbly pray,
When in the Lord's safe landing net,
I'm peacefully asleep,
That in his mercy I be judged,
As big enough to keep.*
