### Dedication of the Lateran Basilica

*Thoughts from Pope Francis that make you think:*

*“Faith is not something decorative or for show. To have faith means to put Christ truly at the centre of our lives.”* (August 30, 2013)

Is Christ the centre of my life? Do I attempt to live every moment in his presence? Do I consult him before making a decision or choice? As a citizen, do I get involved in social and political debates?
