22nd Sunday in Ordinary Time

Jesus warns guests to wait before taking their places at the table lest they be asked to move if someone more important arrives. This is more than just a lesson about dinner etiquette. It is advice on how to find your true place in the Kingdom of God. Jesus advises hosts not to invite people who would be expected to repay them to dinner but to invite those who could not repay: the poor, the crippled, the lame, and the blind. This is where real blessings can be found.

In these sayings, Luke gives us not only advice on how to approach the end times but also on how to live according to Jesus' vision of a good society. Luke's Gospel also advises us how the Church must be part of bringing about this society. It is yet another example in Luke's Gospel of the reversal the kingdom brings about.
